

Cable ties with double locking system 2-lock 4.5x360 black

Internal Reference: 1319

combines the highest resistance value with the lowest insertion force, redefining a higher-performance standard

applications (indoor and outdoor): marine installations, chemical industry, food industry (smooth collar = less bacteria), general industry

material: polyamide 6.6, cage and two tabs in 316 stainless steel, with added carbon for UV resistance in outdoor applications

operating temperatures: -40°C to +85°C

mounting temperatures: -40°C to +60°C

moisture absorption: 2.7% (50% relative humidity)

flame resistance: UL 94 class V2

IEC EN 62275 compliant

resealable bag of 100 pcs

Characteristics

Length	360 mm	Width	4.5 mm
Color	noir	Qty	100/3000 pcs
Diameter Max	101 mm	Tensile resistance	360 N
